Order within my Church (the House of God) for all Visitors

Those who enter to pray or visit the House of God, that is, my Church must respect the silence, order, and their appearance before God. By appearance, it is meant that a person must dress as a woman if she was born female, and as a man if he was born male. Diversivity and mutations, both in the person and in customs, are under no circumstances allowed and tolerated. This means that those who present themselves (as well as married or unmarried couples) are those who respect the rules of God (man and woman) and not women together with a man disguised as a woman, or a man together with a woman disguised as a man.

In addition, inside my Church the following must be respected: **All prayers must be done in silence**; so no communal prayers aloud , no musical accompaniment of any kind, no concerts,

no musical rehearsals or singing, no choir, no organ music, no pipe organs - no pump organs - no mechanical organs, etc...

+

" Fortunately, I met a brother from Senegal to exchange some friendly words here in Munich; given that every time I enter a church (outside of the liturgical mass), there isn't even a Bible to read, and moreover, I do not meet any priest or nun. "

Where are the "loyal administrators?

***

Today, November 23, 2024 - around 3:30 PM
Where: In my cathedral in Munich
Reason: To check if someone has invited me for today's concert (starts at 5:00 PM)

As soon as I, Andrea Cosimo D'Amicis, approached to read if my name was written among the "illustrious guests" in the first and second row seats (right and left) for today's concert in my Munich Cathedral, I was abruptly rejected by the staff present and told that I must not read the written names (adjacent to the seats) and must leave the church, otherwise the surveillance staff is called.

After that I headed for the exit from my "Church".

***

Me in Munich inside my "Cathedral" (07.11.2024)

But where are the "priests, cardinals, bishops and nuns", all the others who were waiting for me?
What is this indifference and desolation towards God my Father and my person?

Where are the Bibles for everyone here, and potentially for work, for language studies, and to achieve discipline, wisdom, and intelligence?
But where are those who called me and who were waiting for me with a great heart?

Why don't you come and welcome me?
And yet I have arrived here, but are you all afraid of me?

Have you been hiding because you have feelings of guilt, and have you been caught as a "thief"?
Have you all lost the reason to understand the good and thus stray from the right path?

Do you all want to suffer?

I hope for you that this is not the case;

So start putting into practice what has been communicated to you from above in this blog!

Jesus Nazarenus Rex Judaeorum - J.N.R.J. (INRI) - Andrea Cosimo D'Amicis
Prophet, Writer, Bringer of Peace, and Mandatory of GOD with the face and body of Jesus Christ (*).

(*) With this, the title of "Vicar of Jesus Christ" is revoked from everyone (Email to Dicastery for Communication -Vatican City), and all that ye have asked in the name of Jesus Christ belongs to me alone!

File 408 of 422

The following is therefore deduced: Since Jesus Christ is the highest and central authority in the Catholic Church and consequently also in the Vatican, I, Andrea Cosimo D'Amicis, immediately revoke all forms of their power and in all the various churches of the world, and order by the authority of my Father God to confiscate all their property, since I am the new owner of them.

In addition, by order of my Father God Supreme, all forms of immunity are revoked in all the States of the World including the Vatican itself.

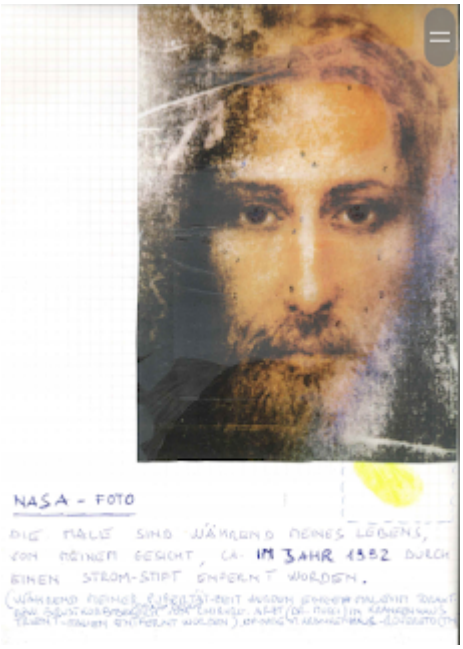
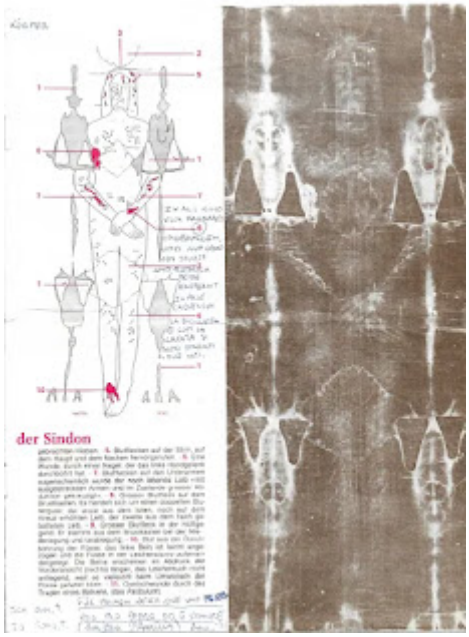
🔍The marks of the flagellation in Jesus' body left on the Shroud are the exact same as in my body

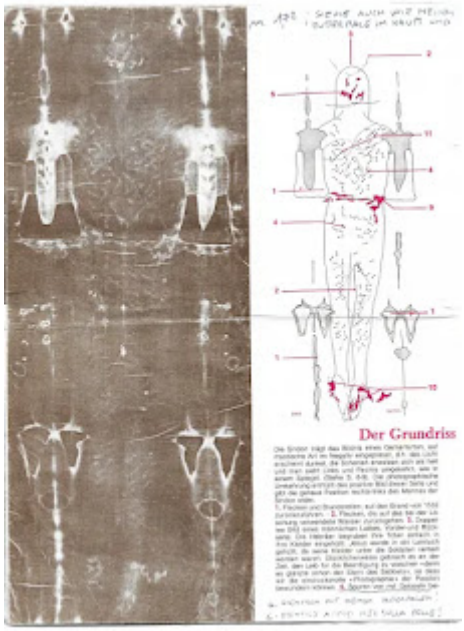




NASA Research Face of Jesus Christ - with signs of the scourge on my face before facial surgery

Moles and some melanomas on the skin are nothing more than signs as a reminder of wounds that occurred in past lives.

“The moles and melanomas on the skin of my face were burned (causticized) with an electric soldering iron around the year 1992.
During my puberty period the surgeon Dr. Mucci, at the Trento civic hospital, removed (again through caustication) many of those moles and melanomas that were located in my chest and torso.
I also had a nasal restoration operation at the Rovereto civic hospital (TN).



The moles in my back are the same as the marks on the Shroud - Dorsal side of the Shroud

Declaration in writing - Shroud Jesus Christ - Andrea Cosimo D'Amicis - on 14.12.2019 for the world

The Shroud does not belong to Turin, but belongs to Jesus Christ of Nazareth, because I Andrea Cosimo D'Amicis (born in Barletta on 8 September 1964) have the same signs in my body that come from his passion.

Therefore the Shroud linen cloth is mine!

Dear friends, if you wait for me to ask my Father God to perform a miracle as a proof for you of credibility and acceptance, in this case I Andrea Cosimo D'Amicis answer you as follows: The miracle has already been accomplished since I returned with the Body and Face of Christ Jesus.

But since my Father God and I love you immensely, from this moment on, again through the work of my Father God, he will have a miracle for all of you that will make your heart beat. Amen!

Son, write!

Here I am, Dad.

If Jesus Christ comes with the name of Jesus written on his passport, but with another face, then everyone there says the following:
"It can't be him, because Jesus Christ has another face."

If Jesus Christ comes with another name written on his passport, but with the face of Jesus, then everyone there says the following:

"It can't be him, because Jesus Christ isn't written in his passport."

Truly, truly, I say to you, my son, that they will get a good kick in the ... and a beating on their heads, if they don't put everything in place better than before!

Word of God, your Father.
Amen.

How can we put an end to evil all over the world, such as all forms of organized crime, mafia, drugs, prostitution, human organ trade, corruption, etc. ...?

The Answer to this question is simple: Be afraid of GOD especially when the hour of death comes, because you do not know what awaits you next, because of the evil that you have all committed.

Since I, Andrea Cosimo D'Amicis, am the one who conquered death with the Body of Jesus Christ, I have warned you all!
